1 was staying through the weekend. Gail borrowed Jade's cell phone twice
2 and called me. She asked Paula on both occasions to speak with me, but
3 Paula refused, on one occasion walking away and slamming a door. Gail
4 reported that Paula had placed large signs on her car advertising a sex toy
5 website, and that she had several dildos taped to her front and rear
6 dashboards. She was refusing to remove the items, even when Jade's
7 neighbors made a complaint. I asked Gail to give Paula a list of our names
8 and phone numbers and that we all would be willing to help her if she
9 wanted it.

16 12. On Tuesday, September 11, I received a phone call from Eric. He reported
17 that Paula showed up, unannounced, at his office that morning. This was
18 the first contact we had had since she moved out of her room in LA on
19 August 27. He stated she wanted to stay at his house, which he refused,
20 and that she wanted Claire to stay with her at her motel room. In light of
21 her recent behavior, Eric felt this was a poor idea, and I concurred. Eric
22 reported that Paula was completely uninterested in visiting any other
23 friends or family and was insisting that she was fine. He observed the
24 opposite—that she was very concerned about people watching her, to the
25 point of paranoia. She blamed her lack of communication on her broken
