The music for the Christmas carol "Stille Nacht, Heilige Nacht" was originally written for guitar in 1818 by church organist and composer Franz Xaver Gruber at the request of Joseph Mohr, the new priest in Oberndorf, Austria. Mohr wished to set to music three stanzas of lyrics illustrating the ambiance of Christmas Eve he had written two years prior so that it could be performed for the first time at Midnight Mass. It was originally published an English translation of the carol's first three stanzas. This transquil D major arrangement is set in 3/4 time, and includes a vocal score with English and German lyrics. (Not to be confused with the sustain pedal, which lifts all the dampers at once.) The sostenuto pedal allows certain notes to be sustained while other notes on the keyboard are unaffected.
