डीआरडीओ में इस साल 436 वैज्ञानिकों की भर्ती

नई दिल्ली | भाषा जैन

सेवक इन हाउस के लक्ष्य रक्षा अनुसंधान को गति देने के लिए रक्षा अनुसंधान एवं विकास संगठन इस साल 436 वैज्ञानिकों की भर्ती करेगा। इसके लिए डीआरडीओ को लक्ष्य के प्रस्ताव सरकार को दिया जा चुका है। आने वाले दिनों में इसे कैबिनेट की मंजूरी मिलने की संभावना है।

डीआरडीओ के सूत्रों के अनुसार इन पदों के लिए पूर्व में सरकार से औपचारिक सहमति मिल चुकी है। लेकिन अब नियुक्ति प्रक्रिया शुरू करने के लिए कैबिनेट मंजूरी होनी जरूरी है। प्रधानमंत्री कार्यालय द्वारा पूर्व में इन नियुक्तियों को लेकर कुछ सवालिया लगाए गए थे। जिन्हें उपलब्ध करा दिया गया है। एक बार कैबिनेट की मंजूरी हो जाने पर डीआरडीओ भर्ती प्रक्रिया शुरू करेगा।अब तक इस मंत्रालय से संबंधित संसदीय समिति के समक्ष भी आया। भाजपा सांसद बैजयंत जयंत पुष्पम पांडे की अध्यक्षता वाली समिति ने भी रक्षा मंत्रालय को कहा, नियुक्ति प्रक्रिया जल्द पूरी की जाए।

DRDO represents the Defense Research and Development Organization. The DRDO vision is to make India for the establishment of the best science and technology. The DRD mission is to provide soluations related to technologies for individuals to optimize combat efficacy. It is also concentrated on the development of infrastructure. DRDO has its headquarters in New Delhi, in India. Research and Defense Development Organization (DRDO) Works to support the Department of Research and Defense Development of the Ministry of Defense. DRD was dedicated to the realization of self-advocacy in the defense systems and carries out design and development that leads to the production of world-class arms systems and equipment by expressed needs and the qualitative requirements established by the three Services. DRDO is working on several military technology areas that include aeronautics, armaments, combat vehicles, electronics, instrument engineering systems, mass, materials, naval systems, computation Advanced, simulation and sciences of the DRD while while To meet the requirements of tip armament technology provides extensive benefits derived from society in general, thus contributing to the construction of the nation. Your vision is to do in India to thrive through the construction of a world-class scientific and technological basis and provide our defense services a decisive advantage, equipping them with systems and Competitive Solutions to International Level. The level of questions asked in this exam is difficult. About DRDO Assistant Post DRDO or Defense Research and Development Organization is an agency of the republic of India to which it is attributed to the responsibility of all investigation and development related to the military department. The headquarters of DRD is located in Delhi. Once the DRD is strongly related to military development, it is assured that the candidates selected for the name are dedicated to the fields of investigation. By the requirements of the work, it is evident that not everyone can do this task. Aspirants must be highly qualified to be selected in the DRD. They must have an extraordinary interest in science and technology. Just then you can work comfortably at DRDO. Of course, there are not only the eligibility criteria that are difficult, but the examination is also hard. Only the very good talents are selected from all applicants. Therefore, aspirants must prepare well for the exam. DRDO questions from the DRDO of the previous year, PDF will help you in your preparation. Download Question Documents from the previous year of the PDF DRDO with answers The deadline of the examination that is approached yet has not been disclosed by the direction due to the blockade. After the closure of the pandemic, the direction will announce the exam date and the exam details. Now you can download any of the articles, whether it's old articles, article models, and examples of PDF articles through the links mentioned in the page here on the web system. DRDO Old Question Papers PDF The application for exam recruitment can be applied online. The application fee for the exam © of RÃºpias 100. The people are exempt from giving the fees are women, SC candidates, ST candidates, PWD candidates and so on according to the rules. The age limit for applying for the exam © 18 years to 28 years. The selection process includes Tier-I, Tier-II, and document confirmation. The Tier-i exam is © in the middle of the language whether Hindi or English. The mãnimas qualifying marks for the same are 40% for OBC/UR and 35% for SC/ST©© candidates. The Tier-II exam is © 90-minute specific examination of 100 marks and constitutes 100 questions. It's a national-level exam. It has a negative markup of -1 in section A and -1/2 in section B. However, the drdo's previous question documents will produce effective results only when used â£" correctly. First read all the course materials available to you. Once you are sure that you are © complete with the entire program you have read, start your practice. Go to solve the DRDO Question Paper from the previous year's PDF. These questions are the compilations of the questions that have already appeared in the exam. This gives you a clear idea of the pattern of questions and enhances your time management skills, helping you function better. Therefore, practicing the © of old DRDO questions is © advantageous to break the exam. Drdo Previous Question PapÃ©is PDF The aspirants looking for the exam standard and the particular exam program, but they have not found the right one. We do atual-affairs.org provide all the appropriate material for the exam. The best way to get all the exam documents © subscribe to our website from which you can't miss the major updates.
