Content Solutions for all programs have been developed to support the content (knowledge, concepts and skills) contained in the National Curriculum Statement (NCS), as organized in the new curriculum and assessment policy statement (Caps). The solutions for all programs have been organized to support teaching and learning in the classroom by presenting the material to be taught and practiced in the classroom into discrete classes. The solutions for all programs have been developed to support the content (knowledge, concepts and skills) contained in the National Curriculum Statement (NCS), as organized in the new curriculum and assessment policy statement (Caps). The solutions for all programs have been organized to support teaching and learning in the classroom by presenting the material to be taught and practiced in the classroom into discrete classes. In each lesson, students establish what they already know a subject by learning new facts on the subject practice using new knowledge, concepts and skills they have acquired in the lesson. In addition, students are provided with: further activities of homework Activity fulfilling support to the student and the enrichment of a summary of a work cycle. A cycle can consist of one or more weeks of work. The solutions to all the student books are supported by solutions to guide and teacher solutions for all core readers, for language programs. These programs provide everything that the teacher and students need to master the subjects taught in the senior phase: a comprehensive solution for the classroom. As for the programs for the senior phase we are available for: home language (English, Sepedi, Setswana, Sesotho, isiZulu, isiXhosa).
