While you can always watch football matches live on cable and satellite TV or through services such as Hulu, Fubo tv, Sling TV, etc. Perhaps you are looking for some good online football streaming sites. Well, if you have been looking for reliable sites to watch soccer matches online, then you are reading the right article. READ ALSO: Top 10 Free Football Streaming Sites Here are some of the best free football streaming sites to watch and watch tonight's game. 1. ESPN The first and one of the most trusted football streaming sites on the list is ESPN. Most of the content on ESPN is available in FHD or HD, and in addition to watching football, you can stream many other major sports. Like SonyLIV, ESPN also shows live scores and tournament schedules. ESPN, on the other hand, is only available to US residents. Also, some games require an active cable or satellite TV subscription. VISIT ESPN 2. Watch on Facebook Yes, you heard right. Facebook can also be used as a site for free football streams. However, finding and following every football event on Facebook is impossible. To follow a specific football event, just search for it on Facebook. Now select the video section and you can even watch football matches live by selecting the Live filter. Facebook has a very well-designed video player that optimizes video quality based on your internet speed. In addition, Facebook also offers relevant videos that are sure to impress any soccer fan. Many leagues such as La Liga, Bundesliga and others have started streaming football matches live on their official websites. VISIT Facebook 3. Stream2Watch Stream2Watch is another trusted live football site. You can easily stream all major football matches on Stream2Watch. InStream2Watch also provides a detailed schedule of upcoming football matches. The chat feature allows users to interact with other viewers during gameplay. Stream2Watch's video quality and streaming speed aren't the most reliable, but they definitely get the job done. Finally, apart from football, you can also play other sports like basketball, cricket, golf, hockey and many more. VISIT Stream2Watch 4. Laola1 Laola1 is one of the best sports streaming sites with a very well designed user interface. With Laola1, you can easily watch many important football events. Consider it one of the best free soccer streaming sites to follow all the games. In addition to live streaming, Laola1 also displays score updates and schedules for various sporting events. Since Laola1 is based in Austria, most of the content is intended for Austrian viewers. Like the other sites on the list, Laola1 can also be used to watch many other sports such as football, hockey, motorsports, table tennis, handball and more. Overall, Laola1 is a reliable site for watching live football matches. VISIT Laola1 5. Reddit Yes. Reddit can also be used as a reliable soccer streaming site. There are no live sports broadcasts on the website, but you can certainly find unofficial links shared by like-minded soccer fans to broadcast soccer events. You can easily join your favorite team's subreddit and stay up to date with upcoming games and news. Like Facebook, you can't find links to all the major soccer events on Reddit. In addition, not all links on the platform are reliable, and some may even turn out to be annoying ads. VISIT Reddit 6. VIP League The next trusted soccer streaming site on the list is VIP League. VIP League is probably the only soccer streaming site available in around seven languages. It is worth noting that in order to watch free football broadcasts, you need to create a free account. VIP is a very well designed video player that optimizes video quality based on internet speed. On the downside, VIP League ads can annoy many users. Overall, VIP League is an impressive site for watching live soccer. VISIT VIP League 7. Yahoo Sports If you want the latest soccer scores, Yahoo Sports is sure to impress. Yahoo Sports isn't really a sports streaming site, but you can use it to learn more about different sports. Yahoo Sports also has its own native Android and iOS apps. When you create a free account, Yahoo Sports offers personalized content based on your interests. With in-depth articles and videos on Yahoo Sports, users are kept up to date with the latest football happenings. VISIT Yahoo Sports 8. Fox Sports The last best soccer streaming site on the list is Fox Sports. Fox Star has a dedicated football section. Like Yahoo Sports, you can use Fox Sports to read in-depth sports articles. In addition, Fox Sports also offers a detailed game description and schedule for each game week. Overall, Fox Sports is a reliable destination for soccer enthusiasts, and the streaming speed and video quality are also impressive. VISIT Fox Sports 9. SonyLIV This all-in-one sports streaming site lets you watch both live football and highlights. You can even follow your favorite football club by signing up for SonyLIV. In addition, if you get a paid subscription, the service offers personalized content. Apart from football streaming, SonyLIV also has a dedicated section for sports news and updates. Apart from football, you can also watch other major sports like cricket, tennis, basketball and WWE live on SonyLIV. VISIT SonyLIV 10. Hotstar Hotstar is another reliable free football live streaming site that has a very well designed video player. No need to register! You can instantly watch live football broadcasts and replays of your favorite tournaments. HotStar is very well known in the Indian region. Also read - Hotstar for PC Hotstar also has its own apps for Android and iOS to watch football on the go. As for the cons, the free HotStar account delays the live stream by a few minutes. VISIT Hotstar Also Read - Best VipBox Alternatives FIFA World Cup UEFA Champions League UEFA European Championship Copa America Copa Libertadores UEFA Europa League Africa Cup of Nations FA Cup Confederations Cup Spanish Cup ESPN offers free football streaming for multiple matches and there are several web sites that allow you to watch football for free.
