Writing Newspaper Reports

Here are some notes which you could use to write a report.

21 August 2005 – original handwritten manuscript of Albert Einstein unearthed – by student Rowdy Booyink in the University of the Netherlands – Booyink researching papers – papers belonging to an old friend of Einstein – fingerprints of Einstein on these papers – 16-page document dated 1914 – Einstein's work on this last theory – behaviour of atoms at low temperature – now known as the Bose-Einstein condensation – the manuscript to be kept at Leyden University where Einstein got the Nobel Prize.

Write a report which has four paragraphs, one each on:

- What was unearthed.
- Who unearthed it and when.
- What the document contained.
- Where it will be kept.

Your report could begin like this:
