Marvel future fight beginner guide 2018

Arc is a self-help author/speaker and AI thinker currently working as IT Manager in a tech company. He also make apps as a side hustle.Copyright Marvel Entertainment and Netmarble GamesMarvel Future Fight reminds me of Marvel Ultimate Alliance where you can play and customize multiple characters from Marvel universe. The game is an online dungeon crawler RPG where there are multiple modes to play that requires you to build the right character and assemble the proper team.Note: I will continuously update this article with new characters and builds as long as I have readers like you who needs assistance.Copyright Marvel Entertainment Doctor Strange Infinity War UniformMy personal favorite. Doctor Strange IW uniform has a lot of tricks on its sleeve. Aside from its Time Freezing ability which is already given. This uniform's attack skills can stun, bind, penetrate barrier, and hit ignore targeting. It can also heal and has immunity to All Damage plus skill reset.With all of the capabilities that I mentioned, Doctor Strange IW uniform excels in different game modes from dealing with difficult levels to fighting other players.Recommended Uru:Energy AttackIgnore DefenseCritical RateCritical DamageRecommended ISO-8 Set:Power of the Angry HulkorOverdriveRecommended ISO-8 stats:Powerful – All AttacksAmplifying – Energy AttackImpregnable – All DefensesAbsorbing – All DefensesChaotic – Energy Attack and HPRRecommended Custom Gear:Guard Break Immunity, Critical Rate and InvincibleorC.T.P. of Authority – With this gear, your Doctor Strange will become a force to be reckoned with in Timeline Battle.Copyright Marvel Entertainmtron Man Infinity War UniformUnlike its previous uniforms, this one should be approach differently when it comes to both playing and building the character.Lets talk about its uniform effect first. It grants shield that is based on Iron Man's HP percentage that recovers by certain amount per second. So it should be built with HP as one of the priority stats.When it comes to skills, Infinity War uniform has lesser ignore targeting skills than its previous predecessor but its new high DPS dealing skills makes up for it. So the playstyle should be more of killing enemies first before it has chance to hit you. Then saving your ignore targeting skill on most critical situation.Recommended Uru:HPEnergy AttackIgnore DefenseRecommended ISO-8 Set:Drastic Density Enhancement – Grants the right bonuses for this build such as all attack and hp increase.orStark Backing – Choose Tony Stark's own set if you prefer hp healing and more defense.Recommended ISO-8 stats:Powerful – All AttacksAmplifying – All AttacksImpregnable – All DefensesAbsorbing – All DefensesChaotic – All Attacks and HPRRecommended Custom Gear:Double Max HP and Invincible – This custom gear will focus more on feeding your shield's power. Invincible comes in handy specially during timeline battles.orC.T.P. of Transcendence – Choose this custom gear if you prefer more offensive power on your Iron Man. Its all attack bonus will benefit both its energy and physical damage specially the Mass Fire skill that summons multiple illusions.Copyright Marvel EntertainmentThor Infinity War UniformThor with IW uniform is the main choice if you want a well balance powerful character. It can deal high damage and has high defense with multiple source of survivability like Immunity to All Damage, guarding against hits, and ignore targeting. Thor's attack can also penetrate Barrier and Immune to All Damage. This is one of the best and most powerful universal character in the game.Recommended Uru:Energy AttackIgnore DefenseCritical RateCritical DamageRecommended ISO-8 Set:Power of the Angry HulkorOverdriveRecommended ISO-8 stats:Powerful – All AttacksAmplifying – Energy AttackImpregnable – All DefensesAbsorbing – All DefensesChaotic – Energy Attack and All DefensesRecommended Custom Gear:Guard Break Immunity, Lightning Damage, and InvincibleorC.T.P. of AuthorityCopyright Marvel EntertainmentCaptain America Infinity War UniformCaptain America's Infinity War Uniform transforms this default tank character into a full brawler type. Which doesn't only have excellent survivability but also good amount of damage per second. Making this one of the best combat characters in the game. It works really well in one on one fights especially in boss battles and Timeline battle.Recommended Uru:HPPhysical AttackIgnore DefenseCritical RateCritical DamageRecommended ISO-8 Set:Power of the Angry Hulk – Recommended if you want to focus on boosting your damage.orI am also Groot – Recommended if you want better survivability. This will make your Captain America harder to kill.Recommended ISO-8 stats:Powerful – Physical AttackAmplifying – All AttacksImpregnable – All DefensesChaotic – Physical Attack and HPRRecommended Custom Gear:Double Max HP and Creates an Energy shield equal to percentage of Max HP – Compliments well with Captain America's leadership skill.orC.T.P. of Refinement – This custom gear works best with I am also Groot ISO set bonus.Copyright Marvel EntertainmentWinter Soldier Infinity War UniformThis Infinity War uniform is a massive character boost for Winter Soldier. Transforming it from nothing to one of the best speed characters in the game. Its attack not only deals heavy damage but also strikes fear into enemies literally, making them unable to fight effectively.Recommended Uru:Physical AttackCritical RateCritical DamageAttack SpeedRecommended ISO-8 Set:Power of the Angry HulkorOverdriveRecommended ISO-8 stats:Powerful – Physical AttackAmplifying – All AttacksImpregnable – All DefensesAbsorbing – All DefensesChaotic – Physical Attack and All DefensesRecommended Custom Gear:Guard Break Immunity, Critical Rate, and InvincibleorC.T.P. of Destruction – Winter Soldier's attack will have better piercing capability plus maximum possible damage.orC.T.P. of AuthorityCopyright Marvel EntertainmentSpiderman Infinity War UniformSpiderman with Infinity War Uniform is one of the characters in this game with highest survivability. It has great percentage of dodge rate, multiple ignore targeting skills, and the ability to web its enemies a lot of times. It is also immune to both snare and stun effect. You'll be pretty annoyed when fighting against this Spiderman in Timeline battle because you're either covered in web or you'll find it really hard to hit himRecommended Uru:DodgePhysical AttackIgnore DefenseCritical RateCritical DamageRecommended ISO-8 Set:Hawk's Eye – The offensive choice. The stats in this bonus fits well with Spiderman.orStark Backing – Grants Spiderman the ability to recover its health.Recommended ISO-8 stats:Powerful – Physical AttackAmplifying – All AttacksImpregnable – All DefensesAbsorbing – All DefensesChaotic – Physical Attack and All DefensesRecommended Custom Gear:Guard Break Immunity, Immunity to Fear, and Invincible – This is a good Timeline battle gear.orC.T.P. of Destruction – Adds penetration to a lot of defenses which Spiderman lacks.Copyright Marvel EntertainmentBlack Widow Infinity War UniformBlack Widow relies on dodging not only for survivability but also for increasing its critical hit and critical damage. When it comes to damage, this character doesn't only deal physical damage but energy damage as well in a form of lightning.This character is really hard to kill by enemy bosses because aside from her high dodge rate, her Infinity War uniform skills have different ignore targeting effect.Tip: Its skill Riposte can deal a lot of continuous damage in a small area. This is good for killing bosses and for holding them at bayRecommended Uru:DodgeIgnore DefenseCritical RateCritical DamageAttack SpeedRecommended ISO-8 Set:Spy TacticsorHawk's EyeRecommended ISO-8 stats:Powerful – All AttacksAmplifying – All AttacksImpregnable – All DefensesAbsorbing – All DefensesChaotic – All Attacks and All DefensesRecommended Custom Gear:Dodge, Lightning damage, and HealerorC.T.P. of DestructionCopyright Marvel EntertainmentWar Machine Infinity War UniformWar Machine will finally lives up to its name once you have its Infinity War Uniform. Compared to its previous uniforms, this one can unleash a lot of firepower. It also has multiple ignore targeting skills and guard to multiple hits to protect itself from danger.Recommended Uru:Ignore DefenseCritical RateCritical DamageRecommended ISO-8 Set:OverdriveorPower of the Angry HulkRecommended ISO-8 stats:Powerful – All AttacksAmplifying – All AttacksImpregnable – All DefensesAbsorbing – All DefensesChaotic – All Attacks and All DefensesRecommended Custom Gear:Guard Break Immunity, Ignore Defense, and HealerC.T.P. of Destruction –So that his firepower won't be wasted on enemies with different kinds of protections.Copyright Marvel EntertainmentGambitGambit is one of the characters in Marvel Future Fight that can deal the highest amount of damage per second. The character's damage and accuracy is considered to be deadly especially the Straight Flash skill that can penetrate all kinds of defenses while keeping Gambit away from harm.Recommended Uru:Energy AttackIgnore DefenseCritical RateCritical DamageRecommended ISO-8 Set:Power of the Angry Hulk – No further explanation needed since this is a DPS character.orOverdrive – An alternative to Power of the Angry Hulk.Recommended ISO-8 stats:Powerful – All AttacksAmplifying – Energy AttackImpregnable – All DefensesAbsorbing – All DefensesChaotic – Energy Attack and All DefensesRecommended Custom Gear:Critical Rate, Critical Damage, and Increase damage by percentageorC.T.P. of Energy – Gambit's attack skills are chain hit. This gear will boost his damage even more.Copyright Marvel Entertainmtron HammerOne of the best free World Boss killer character. Iron Hammer can deal a lot of different chain damage and has multiple ignore targeting skills.Recommended Uru:Energy AttackIgnore DefenseCritical RateCritical DamageAttack SpeedRecommended ISO-8 Set:Power of the Angry Hulk – This will speed up Iron Barrage skill, effectively increasing your overall DPS.Recommended ISO-8 stats:Powerful – All AttacksAmplifying – Energy AttackImpregnable – All DefensesAbsorbing – All DefensesChaotic – Energy Attack and HPRRecommended Custom Gear:Guard Break Immunity, Lightning Damage, InvincibleorC.T.P. of Energy – Compliments well with Hammer Beam skill. The mentioned skill is considered as Iron Hammer's main attack.orC.T.P. of AuthorityorC.T.P of DestructionCopyright Marvel EntertainmentNovaNova is favored by many in Timeline Battle because of its Rocket Blast. A low cooldown skill that can hit everything and penetrate everything. The character also has multiple long ignore targeting abilities making it really hard to kill. Not to mention that all of its skills can deal massive amount of damage.Recommended Uru:Energy AttackIgnore DefenseCritical RateCritical DamageAttack SpeedRecommended ISO-8 Set:Power of the Angry HulkorOverdriveRecommended ISO-8 stats:Powerful – All AttacksAmplifying – Energy AttackImpregnable – All DefensesAbsorbing – All DefensesChaotic – Energy Attack and All DefensesRecommended Custom Gear:Guard Break Immunity, Critical Rate, and InvincibleorC.T.P. of Energy – Choose this if you prefer the maximum damage potential for Nova.or C.T.P. of Authority – This gear will make Nova unstoppable specially in Timeline Battle.Copyright Marvel EntertainmentBlue MarvelBlue Marvel is one of the toughest tanks in the game. His combined passive skills and leadership can greatly boost All Defenses and damage reduction. This character is considered as one of the best universal type in the game because aside from being super tanky, Blue Marvel can also dish out massive amount of damage.Tip: Incase you're not aware, you can get an instant 6 star Blue Marvel when you finished chapter 13 of the Story Mode.Recommended Uru:Energy AttackIgnore DefenseCritical RateCritical DamageAttack SpeedRecommended ISO-8 Set:Stark Bracing – Healing is the only thing that Blue Marvel lacks.orI am also Groot – You can also choose this set if you want to concentrate on different stat bonuses.Recommended ISO-8 stats:Powerful – All AttacksAmplifying – Energy AttackImpregnable – All DefensesAbsorbing – All DefensesChaotic – Energy and HPRRecommended Custom Gear:HP, Recovery rate and Healing – More healing boost for Blue Marvel.orC.T.P. of RefinementorC.T.P. of Energy – Choose this gear if you want to focus on Blue Marvel's massive chain hit skill damage.Copyright Marvel EntertainmentDeadpoolHis really hard, heals really fast, and ignore targets really long. These are the reasons why Deadpool is one of the best speed character in Marvel Future Fight.Recommended Uru:Physical AttackIgnore DefenseCritical RateCritical DamageAttack SpeedRecommended ISO-8 Set:Power of the Angry HulkorOverdriveRecommended ISO-8 stats:Powerful – Physical AttackAmplifying – All AttacksImpregnable – All DefensesAbsorbing – All DefensesChaotic – Physical Attack and HPRRecommended Custom Gear:Guard Break Immunity, Recovery Rate and InvincibleorC.T.P. of DestructionorC.T.P. of RefinementCopyright Marvel EntertainmentLoki Thor Ragnarok UniformLoki in Thor Ragnarok Uniform can summon multiple illusions and cold skills that can deal a lot of damage. This is one of the best summoners in the game because majority of his damage per second comes from his summons.Recommended Uru:Ignore DefenseCritical RateCritical DamageAttack SpeedRecommended ISO-8 Set:OverdriveorPower of the Angry HulkRecommended ISO-8 stats:Powerful – All AttacksAmplifying – All AttacksImpregnable – All DefensesAbsorbing – All DefensesChaotic – All Attacks and All DefensesRecommended Custom Gear:Double Cold Damage increase and Freeze that also deals cold damagerorC.T.P. of Transcendence – The gear's All Attack bonus will benefit Loki's summons.Copyright Marvel EntertainmentThe Punisher Marvel Legacy UniformThe Marvel Legacy uniform for Frank Castle makes the character playable on higher difficulty. This character has a lot of weaponry in his arsenal that can continuously deal area damage. It also has an ignore targeting and a guard against his skills.Recommended Uru:Ignore DefenseCritical RateCritical DamageAttack SpeedRecommended ISO-8 Set:Power of the Angry HulkorOverdriveRecommended ISO-8 stats:Powerful – All AttacksAmplifying – All AttacksImpregnable – All DefensesAbsorbing – All DefensesChaotic – All Attacks and All DefensesRecommended Custom Gear:Guard Break Immunity, Critical Rate, and InvincibleorC.T.P. of DestructionorC.T.P. of AuthorityCommentsLittlemac16000 on May 05, 2020:the infnity wars are bad marvel future fight beginner guide
