System RequirementsOS: Windows 2000/XP/Vista/7/8CPU: 600 MhzRAM: 128 MBDirectX: 6.0 Ajude um simpático inseto a atravessar um cenário cheio de perigosBeetle Bug 2 é um jogo de puzzle no qual você precisa fazer com que o protagonista - que no caso é um inseto - seja capaz de chegar até o final da fase.Para isso, ele precisa vencer os inimigos e resgatar todos os seus aliados que estavam aprisionados no local, chegando até eles.O game funciona no estilo de plataforma e é separado em fases, com a possibilidade de você escolher se deseja jogar no modo fácil, normal ou com um tempo máximo para completar o percurso. O jogo conta com mais de 70 fases para você se divertir e dois pacotes de cenário no modo gratuito.Resgatando insetosNeste jogo, um simpático inseto precisa da sua ajuda para conseguir sobreviver em um ambiente cheio de perigos. Para completar a sua trajetória, ele terá que enfrentar uma série de inimigos, além de ter que procurar os melhores caminhos para chegar até o final de cada um dos labirintos dispostos na tela.Na prática, o Beetle Bug 2 é um joguinho de plataforma, porém com ênfase na resolução de puzzles para que você seja capaz de avançar. A interface do jogo é bem simples e, uma vez que você escolha as características desejadas para a partida (que são o cenário e o grau de dificuldade) é transportado diretamente para a ação.O nível é montado antes de você jogar, mas caso você perca a partida e recomece a fase, o layout encontrado será o mesmo.Atravessando o cenárioNo início de cada um das fases você recebe uma missão, que, normalmente, consiste em derrotar uma quantidade determinada de criaturas. Então, você deve começar a explorar o local, buscando o melhor caminho para chegar até os seus objetivos. Quando houver rochas na tela, elas podem ser movidas pelo personagem.Da mesma forma, você deve tomar cuidado, pois as pedras rolam e "desabam", podendo obstruir completamente o caminho. Os inimigos podem ser derrotados utilizando recursos disponíveis no cenário ou atirando (porém, observe que a sua munição é limitada).ComandosSetas direcionais do teclado: são responsáveis pela movimentação do personagem;Barra de espaço: serve para mover pedras. Video games like Beetle Bug 2 lets the player help the heroic bug survive the hazards of an underground world with elements of a fighting game. Featuring a sprawling dungeon, centipede(s), and other lifeforms (such as a hedgehog) Enjoy this free kids' game that is similar to Pac Man! Page 2 Play as a mysterious hero summoned from Teya. Ensure your tribe's survival in this MMO strategy game that combines time management, casual strategy, adventure, puzzle, RPG, and hidden object genres. Explore the world map and direct your island tribe to build structures, search for hidden items, complete mini quests, and battle enemies to save humanity! Totem Tribe II: Jotun offers you a captivating mix of genres never seen before! The original Totem Tribe combines casual strategy, adventure, puzzles, and hidden objects. Now with this new installment, RPG elements are added, making strategy elements super fun in an MMO world map! If you prefer a particular game genre, a hidden object game for example, you can concentrate more on the hidden object aspects of the game by playing more hidden object scenes. If you prefer puzzles and brain teasers, you can also play those. Play the free game any way you like! 9 different ages to experience You start with a primitive tribe making their first village in the Stone Age. Through research and development, you can reach more advanced ages like Classical Age, Renaissance, Industrialization, and finally Space Age (there are 9 different ages total)! Lurking threat in every corner Experience life as a mysterious hero reincarnated from another time on the planet Teya. You will fight the tyrannous God Emperors and discover the lurking threat that threatens humanity's existence. But remember, things are not what they look like in the first place. Sandbox-style online strategy game In Totem Tribe II you can pick one of the 6 possible victory types and work your way towards it. You can reach Adventure, Science, Culture, Wealth, Expansion, or War Victory! And once you do it - you will beat the game! After you beat it - you can continue playing by restarting in the beginners' zone again with special completion bonuses. Or you can play the game like a sandbox without caring about those victories at all - it's up to you! Play casual or hardcore - your choice! Hardcore game players will enjoy the plenty of PvP and multiplayer options available. You can start with weaker neighbors and levy them, then you can join the big alliance for territory, or even lead a Coalition of Alliances to take over the world. Defensive Alliances are also possible, where players could join together and coordinate defenses to make their warfare questing easier. But if you don't care about fighting other players and would rather enjoy steady expansion, trading, quests, or puzzles, you will also fit right in. Depending on which starting bonuses and drawbacks you choose, one of them can give beginners an impressive defense bonus in exchange for sacrificing attack power. Your protection will last until you are ready to interact with others! Does this sound exciting? Download and play Totem Tribe 2: Jotun for free now! Or read our detailed review here.
